 I renounce on my right to appeal.

Oschersleben, 16.05.2021

Time: _____

Team Zakspeed: _____

STATEMENTS

Statements made by driver / competitor / witness:

The Stewards received a report from the Technical delegate with regard to car #13. After Race 2 the control unit of the fire extinguisher system of car #13 was found to be not connected. The competitor stated that he cannot imagine that the fire extinguisher was not plugged in and can only explain this as the plug having come loose during the race. With reference to Article 14.1 of the ADAC GT4 Germany Technical Regulations, the car must be equipped with an operational fire extinguisher system. Taking into account the statement and facts the Stewards decided to disqualify car #13 from Race 2 for non compliance of technical regulations.
